Doro Experience®

Doro Experience®, the easy user interface, comes pre-installed on your new phone. Together with the web-based Doro Experience® Manager it enables you, or somebody you trust, to remotely manage for example your contacts, reminders.

- Take advantage of backing up information and photo sharing capabilities.
- Download and install applications specifically designed for Doro users.
- Stay up to date with the latest software available.

To get the most out of your Doro Experience® device, register for an account when using the Start-up guide for the first time, or:

- 1 Select **Settings > Doro Experience > Create account** and enter your details.
- 2 Go to www.doroexperience.com using any web browser to remotely manage your account.

Doro Experience® is also available for tablets and PCs.
