

Any call made outside of the RLAH zone is considered roaming. Rates for roaming calls are not subject to any discount.

Outgoing and incoming roaming calls are charged as follows: From zone 1: indivisible 30-second increment then per second for calls in zone 1 with an indivisible increment. From other zones: indivisible 60-second increments and then by 30-second increments.

Inbound SMS in roaming is free of charge.

Data consumption is charged per kilobyte (i.e. 1024 bytes). 1 MB corresponds to 1024 KB and 1 GB to 1024 MB.
